## Shovel-shaped cutting board, set of 2

### ... no more spilling!

Cut, slice and collect fruit and vegetables directly on the cutting board and add them to your pot. No more dropping chopped food thanks to the convenient paddle shape. Work safely in your kitchen thanks to the anti-slip soft handles. You can scoop chopped fruit or vegetables just as easily directly from your worktop onto the cutting board.

- anti-slip
- safe handling
- premium quality
- modern design
- dishwasher-safe
- soft working surface – easy on your knives
- break-proof
- light and robust
- dimensions: approx. 32.5 x 23 x 3.5cm

These premium quality STONELINE® cutting boards can be rinsed with hot water and detergent or can be put in the dishwasher. They are easy to clean and break-proof.

Item no. 10980

## Cutting board set, 4pc.

These colourful chopping boards provide the perfect base: Thanks to the soft-touch finish, they are not too hard and are therefore gentle on your knives. The cutting boards are light and at the same time very robust and break-proof. You can use the cutting boards on both sides, because they have two work surfaces for even more flexibility: If you have just cut meat, you can simply turn the board over and you have a fresh and clean work surface ready for chopping vegetables and herbs. The chopping boards have a juice groove all around.

*This set of 4 consists of:*

4 Cutting boards, approx. 20 x 14 cm, thickness: approx. 0.8 cm

Colors: red, orange, green, yellow

- **Material: PP, TPR**
- **Easy to clean: rinse with hot water, dry, done (dishwasher-safe)**
- **Item no. 18485**

## Glass cutting board set, set of 2
